

## Silt Stitch Washcloth

*This simple pattern goes by quickly, and is easy to memorize. Make several for a housewarming gift, or to put in a care package for a new college student.*

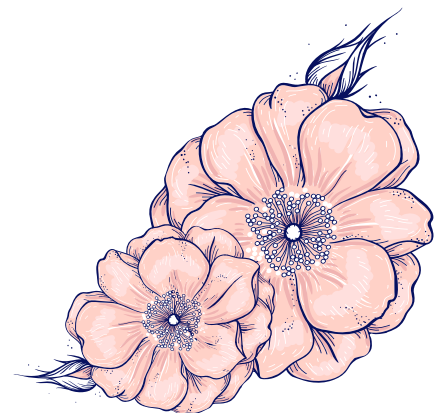

*The Silt Stitch Washcloth is the second in my Washcloth Collection.*

*Every other Saturday in 2021, I will release a washcloth pattern. Some will be lacy and light and some will be sturdy and dense. The first pattern of the month will typically, but not always, be free. The second will usually be paid.*

*At the end of the year, there will be an e-book for sale that contains all the patterns, plus 3 bonus patterns. By the end of the year you will have a lovely collection of washcloths and you will probably have learned some new stitches!*

## Silt Stitch Washcloth

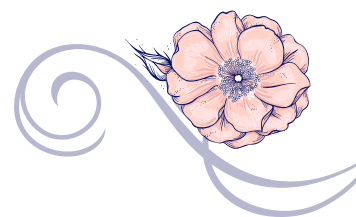

### Materials

About 110 yards of cotton or cotton blend yarn  
 (Such as Paintbox Yarns Cotton Aran or Dishie from WeCrochet)  
 A 4.0 mm (G/6) hook  
 Tapestry needle for weaving in ends  
 Stitch markers if desired.

### Gauge & Size

Gauge (tension) isn't very important in this project. Play around with hook sizes until you find one that makes a fabric you like. This pattern is written to produce a washcloth roughly 9.5 inches by 9.5 inches. If you would like to change the size, simply chain the width you'd like, making sure it's a multiple of 3, then add 1, then 2 more chains.

### Abbreviations & Stitches Used

ch = chain

sk = skip

st = stitch

SC = single crochet

DC = double crochet

\*\* = Repeat the instructions inside the asterisks the indicated number of times.

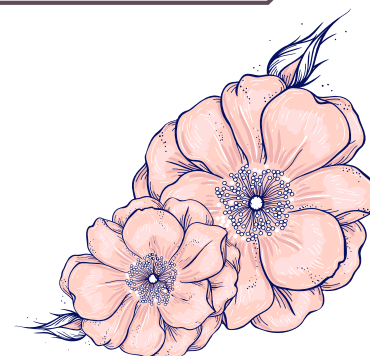

() Stitches within the parentheses are all worked into the same stitch

{ } The number inside brackets indicates the number of stitches in the row

Ch 1 at the beginning of the row = 1 SC

Ch 3 at the beginning of the row = 1 DC
